Steve reminded the board of the importance of 100% board giving. Many third-party funders require 100% board giving for the CFMC to qualify for their grants.

Steve announced a change in the agenda and asked the Treasurer's Report present after the report of the chair.

An Executive Session was called from 3:45 - 4:20.

TREASURER’S REPORT- Teri Belli

The committee is working on reviewing the schedule of meetings for 2018.

The Monterey County Weekly Gives! campaign will launch November 9. Donors are submitting challenge gifts at double the pace of 2016.

GOVERNANCE COMMITTEE – Greg Chilton

Greg Chilton reported that the Governance Committee has worked diligently in putting together a slate of candidates to be added to the board in 2018. The bylaws allow for 21 board members. The CFMC had 20 board members in 2017. Four members are rotating off at the end of 2017. Patti Hiramoto’s resignation, due to her move to Sonoma, means that up to six new board members can be added. The Governance Committee feels that adding six board members at one time is too much of a percentage increase, and is suggesting adding five, which would maintain the number of board members at 20.

Greg reported that the committee had a long discussion on the CFMC’s commitment to diversity and inclusion. He stated that the committee uses a matrix that indicates several areas of diversity, including gender, ethnicity, geography, age and professional affiliations. The committee had robust conversations to understand the wide range of definitions within the topic of diversity in Monterey County, and is recommending candidates that are consistent with this commitment.

The committee identified 10 candidates for the 2018 board recruitment. This includes accounting, investment, agriculture, community leadership and estate planning professionals with consideration for gender, ethnic diversity, age, personal skills and geography.

The recommended names were presented to the board with a request for any concerns or comments to be sent to Dan or Greg by Friday, October 27. The final list of five candidates will be presented at the December board meeting.

The 2018 officers have been selected and second term renewals are in the final confirmation process.

2018 Operating Budget Notes & Assumptions

2017 YEAR END

Current year-end projection includes net income of \$20,999, which includes projected staff bonuses.

Year-end projections include:

Contribution revenue is over budget. The forecast assumes some known bequests are received by year-end, and the annual appeal generates the budgeted amount for individual contributions.

Administrative fee revenue is over budget. Due to strong market returns, as of November 30th, the portfolio has recorded a year-to-date unrealized gain of more than \$20.6 million, resulting in higher fund balances, generating higher administrative fees.

Personnel costs are lower than budgeted due to the vacant accounting clerk position.

Administrative costs are over budget due to the following:

- Printing and Newsletter – invitation envelopes for North and South County events, not budgeted; and a larger quantity of newsletters printed than was budgeted, due to the additional new donors to the Soberanes Fire Fund, the Big Sur Relief Fund and the 2016 Monterey County Gives campaign
- Bank Charges – due to the increase in credit card contributions
- Postage – due to the increased number of acknowledgement letters, and mailings for North and South County events
- Contract Services – Donor Central over budget due to increased users
- Conferences & Trainings – increased number attending the Fundamentals Course
- Misc. Admin Expense – WF lunch proceeds transfer more than expected, off-set by ticket sales and sponsorships
- Depreciation Expense – reduced due to the timing of capital purchases

Program and Development costs are under budget due the following variances:

- Donor Development – due to the Legacy Society lunch, the Women’s Fund lunch, and CPA bags all less than budgeted
- Workshops – due to some of the budgeted expenses absorbed by third-party funding
- Annual Events – over budget due to the increased attendance at the Celebration of Philanthropy
- Annual Report – over budget due to the increased mailing list

OPERATING CASH RESERVE

The unrestricted cash available as of November 30, 2017, is \$941,819, representing a reserve of 3.8 months.

2018 BUDGET

2018 includes revenues of \$3,636,249, and expenses of \$2,960,618, for a net surplus of \$675,631.

This budget assumes receipt of the proceeds from the sale of the de Guigne property. Excess revenue if the property does not sell will be \$140,006.
