

Why should our nonprofit invest our time in helping our employees, community members and volunteers to vote?

Nonprofit voter engagement is a powerful way for nonprofits to “stand up” for their communities. Registering people to vote, equipping them with information about what’s on their ballot, and reminding them to vote on election day benefits our communities and our sector, far beyond the outcome of any particular election.

Our nonprofit wants to Vote with Our Mission: *Where should we start?*

- ◆ Identify your Strategies
- ◆ Know the Rules
- ◆ Get Registered
 - *Registration Deadline!
- ◆ Voting Restrictions
