Southern Monterey County Foundation
Neighbors Helping Neighbors

Neighbors Helping Neighbors
The SMCF provides an opportunity for South County residents and businesses to pool philanthropic resources and strengthen communities from King City to points south. It is governed by an advisory board of residents who have a deep understanding of community needs, appreciation for Southern Monterey County and the tradition of neighbors helping neighbors. The advisory board provides oversight, defines grantmaking priorities and raises funds that are distributed to community organizations serving Southern Monterey County.

Over $120,000 Granted
The SMCF has granted over $121,000 to 30 projects and programs serving Southern Monterey County since its inception in 2014.

How It Works
The SMCF is an affiliate of the Community Foundation for Monterey County (CFMC). The CFMC provides financial stewardship and administrative support. The fund is invested in a diversified portfolio with a trailing three-year average annual return of 8.7% through December 2019. Administration fees are 2%.
