## Neighbors Helping Neighbors

The SMCF provides an opportunity for South County residents and businesses to pool philanthropic resources and strengthen communities from King City to points south. It is governed by an advisory board of residents who have a deep understanding of community needs, appreciation for Southern Monterey County and the tradition of neighbors helping neighbors. The advisory board provides oversight, defines grantmaking priorities and raises funds that are distributed to community organizations serving Southern Monterey County.

## Nearly \$200,000 Granted
