

NORTHERN MONTEREY COUNTY FOUNDATION

AN AFFILIATE FUND OF THE COMMUNITY FOUNDATION FOR MONTEREY COUNTY

The Community Foundation for Monterey County (CFMC) is addressing the current challenge: aiding our community in mitigating the unprecedented and uncertain impact of Covid-19. We have revised our grant requirements for past grantees to allow for flexibility and evolving needs (for example, allowing reallocations to operating support, if needed) and established the [Covid-19 Relief Fund](#) to support nonprofits during these uncertain times. The CFMC's Center for Nonprofit Excellence has also established a resource page for nonprofits in relation to Covid-19. www.cfmco.org/responding-covid-19/

NMCF GRANTS

Each year, the NMCF determines where its available grant dollars can be placed for greatest impact on our communities' highest priority needs. Using these grantmaking guidelines, the NMCF Advisory Board, made up of community volunteers, will carefully review grant applications and recommend a slate of grants once a year to the CFMC board, which has final authority in grant decisions.

Funding proposals will be considered in Summer 2020 for grantmaking priorities described below.

2020 GRANTMAKING PRIORITIES:

The NMCF seeks to support nonprofit organizations that have the leadership and capacity to provide important community resources and services in Northern Monterey County communities. Funding will be considered for the following types of requests:

- **Program Support:** for the expansion or refinement of existing programs, as well as new programs that show the promise of impact and sustainability
- **Operating Support:** unrestricted grants to organizations
- **Capital Support:** for cost associated with buildings and/or facilities
- **Organizational Development:** to strengthen or enhance the internal capacity and infrastructure of organizations that have a proven track record of community benefit in Northern Monterey County

GRANT AWARD:

The number and size of grants awarded may vary depending on the Advisory Board's assessment of a proposed project's impact to Northern Monterey County communities. Grant recipients will be expected to use all funds and provide a written evaluation of the project within 11 months from the grant date of late July.
