### AMG Medical Foundation's Mission:

AMG Medical Foundation was created to promote the health and wellbeing of our community through the delivery of programs and services that will serve to educate, empower, and give more healthcare options to the people of our community.

### PROGRAM SERVICES

- Education for union/employer representatives & employees
- COVID-19 screening service
- Physicians' medical services to address any issues & concerns, including medical advice & work excuses

### PROGRAM INFORMATION

- Education for union representatives & employees through:
- informational sessions/training prior to work
  - online resources
  - working closely with health/safety representatives from each agency to address any concerns

### COVID-19 Screening Service

Available seven days a week, whenever required by the employers/union. Employees will either "pass" or "not pass" the initial screening.

**PASS:** Those that are clear will get a pass to go to work.

**\*MASK FITTING SERVICE AVAILABLE**  
K95 masks can be purchased at a nominal fee.

**NOT PASS:** Those who don't pass the screening will be addressed immediately. Instructions on what to do after will be given (includes testing, immediate work excuse notes if needed).
