

About Carmel Valley

Carmel Valley, California has always had a strong sense of community. Neighbors treat one another like family. Though Carmel Valley offers a wonderful quality of life for some, there are many unmet needs.

We have created a way for caring neighbors to come together to thoughtfully address these local needs. The Community Fund for Carmel Valley helps protect and improve the quality of life for all residents.

I love Carmel Valley. This is an opportunity to help others and create synergy to meet the needs in our community.

– Alan Crockett, CFCV Advisory Board Chair

Community Fund for Carmel Valley

In 2020 the Community Fund for Carmel Valley (CFCV) was created to offer residents, businesses and organizations an opportunity to contribute to the greater good of others. The CFCV seeks to improve the lives of our fellow community members, both now and in the future. Grants support the greater Carmel Valley area from Highway One to Cahoon Grade.

The fund is governed by a local advisory board consisting of longstanding community members. Their role is to provide oversight, raise funds, define grantmaking priorities and award grants. The fund is an affiliate of the Community Foundation for Monterey County, which provides administrative, investment and grantmaking expertise.
