### A Special Place, a Unique Opportunity

Big Sur in Monterey County, California has always had a unique spirit and sense of community. Those that live here or have enjoyed the beauty and special character of this place now have an opportunity to sustain the quality of life, now and in the future. This fund supports programs and services for people from Mal Paso Creek to the county line.

### Neighbors Helping Neighbors

The Weston Call Fund for Big Sur was created in 2018 to provide residents, businesses and visitors an opportunity to give back to Big Sur. It is governed by an advisory board which provides oversight, raises funds, defines grantmaking priorities and recommends grants to benefit Big Sur. It is a special purpose fund of the Community Foundation for Monterey County.

### Mission

To provide sustainable, impactful and supplemental funding to nonprofit organizations benefiting the residents of Big Sur and build resources for disaster relief.

### Our Priorities: Health, Safety, Education, Arts, Culture and Community Stewardship

- Create additional funding for health, fire and safety needs through Big Sur nonprofits
- Support educational, cultural and historical programs
- Aid sustainable tourism and destination stewardship efforts
- Create and enhance community partnerships
- Support nonprofits providing services in Big Sur
- Respond to disaster through the Big Sur Disaster Relief Fund, a component fund of the Weston Call Fund for Big Sur

“This fund was created to bring people together to support the community we love.”
