ABOUT THE COMMUNITY FUND FOR CARMEL VALLEY

Founded in 2016, the Community Fund for Carmel Valley (CFCV) is an affiliate fund of the Community Foundation for Monterey County. It was created as a unique vehicle to bring positive change to the communities of Carmel Valley.

CFCV GRANTS

Each year, the CFCV determines where its available grant dollars can be invested for the greatest impact on our communities' highest priority needs. Using these grantmaking guidelines, the CFCV Advisory Board carefully reviews grant applications and recommends a slate of grants once a year to the CFMC board, which has final authority in grant decisions.

Funding proposals will be considered in 2023 for grantmaking priorities described below.

2023 GRANTMAKING PRIORITIES

The CFCV seeks to support nonprofit organizations that have the leadership and capacity to provide important community resources and services in the Carmel Valley area. Funding will be considered for the following types of requests within these three key priorities:

- **Community Development:** Build community, improve infrastructure, and meet local needs
- **Youth & Seniors:** Expand youth and/or senior programming and services
- **Resident Programs:** Support education, cultural and historical programs

Special consideration will be given to grant applications addressing:

- Organizations currently providing services directly located in Carmel Valley/Cachagua, with ease of access for residents.
- Basic needs of Carmel Valley/Cachagua residents (food/housing security, youth programs, etc.)
- Emergency Prevention and/or Response related to:
 - Fire/Disaster needs (e.g., Neighborhood organizing, education for disaster preparedness, etc.).
Please contact us if you have questions about applying for a fire relief grant.

GRANT AWARD:

In 2023, applications will be accepted for a maximum grant request of \$4,000. The number and size of grants awarded may vary depending on the Advisory Board's assessment of a proposed project's impact on Carmel Valley communities and the number of grant requests received. Grant recipients will be expected to use all funds and provide a written evaluation of the project within 11 months of the grant date.

Funding will be considered for the following types of requests:

- **Program Support:** for the expansion or refinement of existing programs, as well as new programs that show the promise of immediate resident benefit (during the award period) and sustainability
- **Operating Support:** unrestricted grants to organizations
